Dear Parents,

What a great week we have had with lots of learning and fun activities in the classrooms.

The annual swimming school program started today. Thank you to Mrs Jane Cummings for the fantastic organisation and coordination of the program for our students to experience. We had a great first day at the pool today.

Just a reminder that the P & C Walkathon is on this Wednesday afternoon from 2.15. All parents are welcomed to attend and enjoy an afternoon in the sunshine with your children.

Have a great week!

Due to the Mini Fete being held on Tuesday 11th November the canteen will close on this day. There will be heaps of food available at the mini fete. The canteen will re-open on Wednesday 12th November as usual.

Our next special day will be held in December and will be the last for the year. It will be a Christmas Meal Deal and will be held on Wednesday 10th December. Please put this day on your calendar. Notes will go out soon.

The canteen was able to give the P & C $4,500 this week from our surplus funds. This is a terrific amount and is only able to happen with the fantastic support of all families that go to Bathurst West Public School. The support you show the canteen is great. Just by either purchasing lunch, afternoon tea or supporting our special days helps in the fundraising for the school. I look forward to seeing all the children at the canteen. Thank you.

**Jargon explained**

If your child's teacher mentions G&T in the COLA, she's actually talking about gifted and talented classes being held in the covered outdoor learning area.

**Choosing the right shoes**

School shoes may all look the same but the cost can vary from about $30 to $120 and beyond. Does a more expensive shoe mean a better shoe? Eglinton Public School P&C OOSH Vacation Care Program
Did you know that when it comes to sun protection, not all hats are equal? We all know that hats help protect against skin cancer and eye damage. But did you know that baseball caps do not provide adequate protection? There is now very clear evidence that baseball caps leave the cheeks, ears, chin and back of the neck exposed to ultraviolet radiation, increasing your child's risk of skin cancer later in life.

Bucket hat
Bucket or surfer-style hats should have a deep crown and sit low on the head. The angled brim should be at least 5cm for children (6cm for adults) and shade the face, ears and back of neck.

Broad brimmed hat
Brim should be at around 6cm for children (7.5cm for adults). The brim should be proportional to the size of the child's head and provide shade for the whole face.

Legionnaire hat
Legionnaire-style hats should have a flap that covers the neck. The side flap and front peak (brim) should meet to protect the sides of the face.
