Dear Parents

The school has been approached by an organisation that is involved in the teaching of ethics for those children who do not attend regular Scripture Classes. It is envisaged that these lessons will begin in 2015 with one volunteer. The organisation, Primary Ethics is offering training for other interested parents and community members on the 19th and 20th July in Bathurst. The lessons will be offered at the same time as scripture, to children who do not attend scripture. Primary ethics is an approved provider of these courses and children are supervised in the same manner as Scripture Classes.

If you would like further information please contact the school for details.

Reports will be issued next week for all students. Parent Teacher Interviews will be held during the first weeks of next term.

Congratulations to our Cross Country runners who participated in the Area Carnival last Wednesday. The children all represented their school and community with pride.

Congratulations to Machayla and Norbu who will represent Western Region at the State Cross Country

Have a great week!
