Dear Parents

The children had a great day learning about Road Safety with NRMA today. An emphasis was placed on the lifesaving nature of helmets in the event of accidents on bikes and scooters. It is always important for children to wear a correctly fitted helmet when riding. Thank you to Mrs Windus for her organisation of the day.

An issue has arisen at school with children bringing card collections to school. This often revolves around swapping or trading. This has caused a number of incidents where children have changed their mind on the trade or misunderstood the deal. Cards are also coming into class as a distraction to lessons. Please have your children leave them at home. They are not come to school and will be confiscated for the day if they are seen by teachers.

Have a great week!

Facts about tutors
Private tutoring to give kids a helping hand in
their schooling is a growing business. However,
it’s also an area where parents can be vulnera-
ble to bogus offers and misleading advertising.

Removing head lice and nits
Mention head lice and most of us instantly
develop an itch. While head lice and nits, (the
eggs of head lice) are certainly annoying and
persistent, they're not dangerous. Here’s every-
thing you need to know to rid your kids of head
lice and nits.

The next meeting is tomorrow (25th March) at 6:45pm in the iCentre. It starts with the Annual General Meeting (AGM), which is followed by a ‘normal’ meeting. The AGM is where we review the audited accounts for 2014 as well as elect the President, Secretary and Treasurer as well as two Vice-Presidents for 2015. We will also elect the Canteen Sub-Committee and the Uniform Sub-Committee as well as elect positions such as a Fundraising Coordinator and nominate an auditor. **You must be a member to vote** – this costs $1 for the year and you pay your money on the night. If you’re interested in a position, but won’t be at the meeting, please let someone know (or even better – put it in writing and drop this off at the front office).

A quick run down on the jobs –

- The **P & C Executive** is made up of the **President** (chair meetings and represent the P&C at functions where required. Where the President is unable to do so, a Vice President takes this role), the **Secretary** (keep records of all business conducted at meetings), **treasurer** (receives and deposits money, maintains a record of this, writes cheques and presents the accounts at each meeting).
- **Canteen Sub-Committee** – provide the framework in which the canteen operates.
- **Clothing Pool Sub-committee** – provide new and secondhand uniforms.
- **Fundraising Sub-Committee** – put forward fundraising ideas, and coordinate fundraising activities

Decisions of all sub-committee are overseen by the P&C.
Don’t be scared to come along - no one will hold a position if they do not want to do so. If you have any thoughts/ concerns/ compliments on the school, canteen or clothing pool please come along and have your say – by coming along, you have the opportunity to have your view heard and acted on. The more diverse views we have the stronger group it is and the better we can improve our school for our children.

If you are interested in hearing more about what the P&C are doing or would like to raise an issue at a P&C meeting but can’t make any meetings, please email us at bwps.pc@gmail.com.

On a personal note, I would like to thank all those I have worked with over the last 2.5 years in my time as President. It has been wonderful to meet so many of you and have the opportunity to contribute to our school.
