Dear Parents/Carers,

What a fantastic week we’ve just had! Our school celebrated Bathurst’s 200th birthday through a range of events and all children enjoyed the experiences. Well done to the Wagganah Aboriginal Dance groups, our choir representatives and our school leaders for representing our school in the freezing cold at Proclamation Day ceremonies. You all made us proud!

Well done also to super coach Miss McKay and our all-conquering netball team. Five wins from five games is pretty awesome! We need a bigger trophy room (and staffroom for Miss McKay’s ego)! The sport continues this week with boys and girls soccer and boys rugby league. Good luck to all concerned.

Kinder enjoyed an excursion to the Bathurst 200 People-Scape and historical sites around Bathurst today and Stage 3 participated in a fun drama workshop. Today also sees the start of NAPLAN for Year 3 and 5 students, which continues tomorrow and Thursday. If you have any questions about NAPLAN, please see your classroom teacher.

A reminder for parents who have children that take the bus to and/or from school – it is a requirement for these children to have a current bus pass with them or cash payment in order to use these services.

Also remember for those interested that on-line applications for entry into the Opportunity Class (OC) close this Friday, 15th May.

Have a great week.
Darren Denmead,
Relieving Principal.
**Head Lice**
Several cases of head lice have been reported in the school. Please check your child’s hair and treat accordingly. For treatment advice visit: www.health.nsw.gov.au/environment/headlice/Pages/treatment.aspx

**Tips for tackling kids head lice**
Use hair conditioner and a fine toothed lice comb. Apply conditioner to the hair and comb through with a wide-toothed comb to remove the tangles. Let the conditioner dry, then use a fine metal lice comb to remove the lice and pull the nits off the hair. The conditioner helps slow down the louse and makes it easier to comb out. Then rinse out the conditioner. This does work.

Make sure you re-treat your child’s head in seven days to catch any nymphs that may have hatched.
