Principal’s Report

Dear Parents/Carers

Can you believe that it is the last week of term already? Time flies when you’re having fun, as they say!

I would like to say a big thank you to all of the wonderful children doing positive things in our school. You really are safe, responsible and respectful learners. The Annie’s vouchers will be given out this Friday at assembly and there are an amazing number of names in the draw. Good luck to everyone who has made a wonderful contribution to the school over the past few weeks!

As discussed in a previous newsletter, Term 3 will see some changes in our school. The first of these is the provision of structured activities for the kids at break times. For the first five weeks of term these will include a PCYC run circus skills program, boot camp and garden club, as well as others like skipping ropes and Just Dance in the library. These activities will usually change every five weeks based on demand.

This is the first part of our approach to increasing student engagement and overhauling our school’s welfare policy during Term 3. Other changes to come include: a social skills and mental health program, detention becoming a time for reflection in the Reflection Room, revised behaviour management planning, positive incident notes being regularly sent home and an updated anti-bullying policy. Exciting times!

I hope everyone has a safe, happy and refreshing holiday with family and friends, and I thank you for your continued support of and advocacy for our great school.

Enjoy your break,

Darren Denmead,
Relieved Principal

Well I’m back from my great holiday and have been enjoying seeing the children and parents at school. It is good to be back. I would like to thank Tammy for doing such a wonderful job while I have been away. As this is the last week of term 2, I would also like to wish all the families of Bathurst West School a great break and I look forward to seeing you all back at school in Term 3. With thanks Julie Baillie.

Back-to-School – Education week

Come along and celebrate Education Week the old fashioned way. Thursday, 30th July we are throwing our doors open to the school community and we’d love to see you there. The day will begin at 1.15pm with a school assembly run the old fashioned way, (be warned parents, if you talk you may find yourself sitting in the corner with a Dunce hat on, or even worse; Principal Denmead may have to give you 6 of the best! We will then enjoy a community picnic afternoon tea followed by games and sports from yester-year. This will be a great chance for Grandparents to show their grandkids what they used to do at school.

Kindergarten 2016
We are now accepting enrolments for children starting school in 2016. Forms are available at the Office. ‘Flying Start’ 6 week transition program leaflets are also available at the Office. The program runs each Thursday from 27th August to 15th October, from 9.15 to 10.30 or 11.30 to 12.45 or 1.30 to 2.45. Application forms must be returned to the School by 7th August. Your child can start Kindergarten at the beginning of the school year if they turn 5 on or before 31st July in that year. By law, all children must be enrolled in school by their 6th birthday.
Congratulations
To Riley and Charli

A reminder to parents to notify the school about your child’s health

We welcome information from parents about your child's health, even if you are not requesting specific support from our school. Our school asks for medical information when you enrol your child. It is also important that you let us know if your child’s health care needs change or if a new health condition develops.

Information about allergies, medical conditions such as asthma and diabetes and other health care related issues (including prior conditions such as medical procedures in the last 12 months) should be provided to the school by parents. Please provide this information in writing to the principal. This will greatly assist our school in planning to support your child’s health and wellbeing.

Please also remember to notify staff in the school office of any changes to your contact details or to the contact details of other people nominated as emergency contacts.

We appreciate your assistance in this regard and assure you that any information you provide the school will be stored securely and will only be used or disclosed in order to support your son or daughter’s health needs or as otherwise required by law.

**Nutrition Snippet**

**The simplest way**

... to add healthy snacks to lunch boxes

- Kids have little tummies and need small amounts of food often. Try these simple + healthy snack ideas in your child’s lunch box:
  - Plain air-popped popcorn (without salt or butter) mixed with sultanas + dried apple
  - Dried fruit snack packs: buy them ready made, or make your own at home in reusable containers
  - Fruit salads: buy small tubs of diced fruit in natural juice, or cut up small pieces of fruit + make your own!
  - Crackers + veg: Slice up some avocado or tomato + send with some rice crackers
  - Little vegie bags: cherry tomatoes, capsicum, carrot and celery sticks
  - Frozen fruit bags: freeze grapes, orange quarters or strawberries + then send to school!

Remember: kids love small portions, so cutting up fruit + veg will help make sure they don’t bring it home at the end of the day!
