Principal’s Report

**Dear Parents/Carers**

**Student Representative Council (SRC)**
Last week I announced the 2016 elected SRC representatives. Somehow, one wonderful school citizen escaped my eye as I went down the list, so I owe him a BIG apology. Special congratulations to Hayden who will represent Waratah 3. Sorry Hayden, I must be getting old!

**Safety issues**
All parents are reminded that crossing Suttor St at the traffic lights is the only safe way to do so. There are many car movements, people rushing to be places and buses reducing visibility, so the traffic lights provide an easy and safe avenue for crossing this extremely busy road. We have spoken to all of our children about this, so please be safe and lead by example.

Please also try to avoid parking in Cummings Street. The bus drivers have asked that parents parking in Cummings St keep in mind that buses turn from our school to go down this street. Recently this has been very difficult for drivers, with several near misses. Please park a little further down the street, perhaps only on one side, or find an alternative.

Thanks very much for your assistance in keeping our kids and school safe.

**Signing students in or out at the office**
If your child is late to school, they need to be signed in at the front office and a reason provided. Similarly, if you pick up your child early, please sign them out at the front office and provide a reason. This helps us to ensure accurate records and to keep our children safe at all times.

**P&C**
Don’t forget that the next P&C meeting will be held on the 24th February. Come and lend your voice and support.

Have a lovely week,
Darren Denmead

CIRCUS PERFORMANCE

DATE: 15th March 2016
COST: $6.10
DURATION: 50 mins
Solid State Circus (SSC) is a fresh Australian comedy acrobatics troupe. Combining seasoned presenters with the youthful exuberance of some of Australia’s best young performers, SSC presents a show with that “wow” factor. The tightly packed, high energy show features an array of circus skills, including mini tramp, juggling, and high level acrobatics! The show includes a Q & A session – a chance for students to question a tame circus performer. 

Notes will be sent out Week 5 Term 1.

Year 6 Transition to High School

The Year 6 transition to High School programs at Denison College, iLearn (Kelso High) and iExplore (Bathurst High), will begin soon. These are wonderful programs run by Denison College to support students with a smooth transition into high school. You will find the dates of the programs attached to this newsletter. More information about the programs will be sent home soon. Please talk to your children about which school they will attend next year.

Regards,
Jodeen Jackson,
Assistant Principal

Tips for tackling kids head lice
Use hair conditioner and a fine toothed lice comb. Apply conditioner to the hair and comb through with a wide-toothed comb to remove the tangles. Let the conditioner dry, then use a fine metal lice comb to remove the lice and pull the nits off the hair. The conditioner helps slow down the louse and makes it easier to comb out. Then rinse out the conditioner. This does work.

Make sure you re-treat your child’s head in seven days to catch any nymphs that may have hatched.
