Principal's Report

Dear Parents/Carers,

Presentation Day Success

This week we welcomed many visitors to the school to acknowledge the many achievements made throughout 2011. The K-2 and 3-6 Assemblies were a great success and it was very clear that the Bathurst West PS community is united in working together to improve the outcomes for all students and just as importantly to take the time to celebrate together.

I would like to also take this opportunity to thank the special guests who joined us for the day and to commend our students for their outstanding manners and to the staff for their hard work. Well done!

Farewell to Year 6

On behalf of the school community I would like to wish all of the Year 6 students all the best for the future as they leave the school to embark on their High School journey. Year 6 students have made a wonderful contribution to the life of the school and all of the staff and students are most grateful.

Summer fire safety

Summer has officially started and with it comes the increased risk of bush and house fires. If you live in a bush-fire prone area, ensure you have taken the necessary steps to protect your property and family from fire. Download a fact sheet: www.fire.nsw.gov.au/gallery/files/pdf/factsheets/02_bushfire_prep.pdf

It is now law that caravans and campervans be fitted with working smoke alarms. Check LPG gas bottles for leaks as this is how many barbecue fires start.

Many more tips on how to enjoy a fire-free summer are on the Fire and Rescue NSW website: www.fire.nsw.gov.au Remember in the event of a house or bushfire always dial 000. If your mobile phone is out of range, dial 112.
